

Southborough
Education Foundation

What is SEF?

The Southborough Education Foundation is a non-profit organization that awards grants for innovative and creative programs to enhance the public school curriculum. The programs would not otherwise be funded through the traditional school budget. SEF has funded more than \$200,000 in grants over the past ten years through the financial support of our members. Any member of the school community – teachers, school staff, parents, anyone – can submit a grant. See your school principal for a grant application.

I have a little time – How can I help?

Your child’s school experience depends on your involvement. SEF is looking for new members of our Board of Directors beginning in the 2010-2011 school year. If you have interest in guiding the new educational programs initiated in the Southborough schools, then we need you on the SEF Board of Directors! For information, visit our website at www.southboroughed.org , or contact Kathy Cook at kcook@fusiongroupinc.com.

I have no time – How can I help?

To help make more of these grants possible, SEF gladly accepts your tax-deductible donation. In return for your support, SEF works hard to draw forth and select the most promising educational programs for Southborough students.

I place value in the SEF mission and the programs it supports. I have enclosed is my tax-deductible donation, made payable to **SEF**.
